

E-Letter Friday, May 8, 2020 (short update)

St. Paul's Lutheran Church

“EXTENDING CHRIST’S LOVE TO YOU”

“He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress, my God, in who I trust.” Psalm 91:1-2 (NIV)

WELCOME PASTOR GEORGE MORRIS! We are so blessed to have a new Pastor. In these crazy times, when we are so regulated, we can't all come together to welcome him. Yet you may send him cards, photos, gift cards, gifts, or whatever you would like to welcome him. Send them to the church office at P O Box 697 Watertown, MN 55388. Please understand that you do not have to, just if you would like to. Installation is still tentatively set for 2:00 pm on May 17th. We will know more details about that next week.

Elders have met with Pastor Morris via Zoom to begin the transition process and how we can adapt from a vacancy pastor situation to a full-time pastor.

A special thank you to all the Trustees for painting, shampooing carpets and moving furniture around. They also were in charge of Pastor's physical belongings moved from Hinkley to Watertown.

The Church Council meets (via Zoom) this Thursday evening, May 14, which is the first meeting with our new pastor. As always, if you have any concerns or questions, please contact a Church Council member or our Congregation President Doug Hoese at 952.457.6315.
